12 May 2009

Dear Parents

The month of May is by far the busiest month of the year. The teachers enjoy the massive participation of most of our students in all the activities. We understand that it does create time management problems, but we firmly believe the educational value of participation is fundamental to the ethos of the school and to your child's educational development. Thank you for your support in transporting your children to these activities during this month. Also remember that June exams are around the corner and preparation must be taking place for these.

The culmination of this busy programme will be the musical "South Pacific" during the last week of May.

This promises to be a wonderful show and a good evening's entertainment. We would like to wish Mr Basson, Mrs Turvey, the cast and the crew that make up the production success for the production.

The other important event that is taking place on the **9th of June at 6 pm** is the **Governing Body Election**. Please can we have your support on this night to cast your vote and to help us meet the quorum in order for this Election to take place. The Management of the School for the next three years will be decided at the Election and we need to maintain our academic levels of performance and to continue to upgrade our facilities. If any parent is interested in joining the Governing Body, please contact the school.

In order to get the quorum, we have linked the election evening with our Grade 9 subject choice evening. This is usually done in August, however, we have brought it forward so that you can support the election. At this meeting we will explain how the subject choice is done for Grade 10, 11 and 12 and we also go into the process of how subject choice will impact on university and tertiary applications. In addition, promotion requirements are also discussed. To make the evening more palatable, refreshments will be served.

PLEASE MAY WE HAVE YOUR SUPPORT TO ENSURE THAT BRYANSTON HIGH HAS A FUTURE AS A TOP SCHOOL IN JOHANNESBURG!

WHITE BLAZER : RE-AWARD

This re-award of a white honours blazer goes to a young lady who symbolizes the values that Bryanston High School stand for. She does not only excel in one area but in numerous activities, showing us all that we strive to create multi-talented young ladies and gentlemen. She has received four full colours for RCL, swimming, tennis and cricket scoring. She is committed to all aspects of school life and it is justifiable that she earns the highest honour for her loyalty, excellence, dedication and commitment to the school. We are proud to award this re-award of the honours blazer to **Kelsey Skinner**. Her previous award in 2008 was for Academics, Swimming, Hockey and Athletics. **Well done and congratulations on this exceptional achievement.**

Well done to James Southwood who took part in the Amashova Cycling Tour in Pietermaritzburg during the April school holidays. He won the first race of the four day tour and obtained the first Yellow jersey for a

stage win. He finished in the top 10 on day two and won the road race on the last day by 20 seconds. **Wesley Eslick** also took part as a first year Under 16 rider and was in contention for the white jersey. Well done to James and Wesley!
